LYTIQS Successfully Completes SOC 2 Audit

Audubon, PA, February 13, 2025 — LYTIQS (LYTIQS.com), a workforce intelligence software provider, today announced its successful completion of its SOC 2 examination as of February 13 and includes the following scopes:

Type 2, SOC 2 Certification

The SOC 2 audit was conducted by A-LIGN, the leading provider in cybersecurity compliance trusted by more than 4,000 global organizations to help mitigate cybersecurity risks.

Jeff Higgins, CEO & Founder of LYTIQS, said "Achieving SOC 2 certification underscores our commitment to data security, privacy, and operational excellence. This milestone reaffirms LYTIQS as a trusted partner, ensuring our clients can confidently rely on our workforce intelligence solutions to drive strategic decision-making with the highest standards of security and compliance."

Established by the American Institute of Certified Public Accountants (AICPA), the SOC 2 examination is designed for organizations of any size, regardless of industry and scope, to ensure the personal assets of their potential and existing customers are protected. SOC 2 reports are recognized globally and affirm that a company's infrastructure, software, people, data, policies, procedures and operations have been formally reviewed.

"Congratulations to LYTIQS for completing their SOC 2 audit, a widely recognized signal of trust and security," said Steve Simmons, COO of A-LIGN. "It's great to work with organizations like LYTIQS, who understand the value of expertise in driving an efficient audit and the importance of a high-quality final report."

This certification demonstrates LYTIQS's continued commitment to compliance and ensures customers with the confidence that required safeguards are in place to protect their data.
