LYTIQS Successfully Completes SOC 2 Audit

West Chester, PA, March 3, 2026 — LYTIQS (LYTIQS.com), a strategic workforce planning and people analytics software provider, today announced its successful completion of its SOC 2 examination as of March 3, 2026 and includes the following scopes: Type 2, SOC 2 Certification.

The SOC 2 audit was conducted by A-LIGN, the leading provider in cybersecurity compliance trusted by more than 4,000 global organizations to help mitigate cybersecurity risks.

Jeff Higgins, Founder & CEO of LYTIQS, said, "As we continue to scale, maintaining the trust of our customers is paramount. Our SOC 2 Type II attestation demonstrates that security and operational excellence remain at the core of our growth."

Established by the American Institute of Certified Public Accountants (AICPA), the SOC 2 examination is designed for organizations of any size, regardless of industry and scope, to ensure the personal assets of their potential and existing customers are protected. SOC 2 reports are recognized globally and affirm that a company's infrastructure, software, people, data, policies, procedures and operations have been formally reviewed.

"Congratulations to LYTIQS for completing their SOC 2 audit, a widely recognized signal of trust and security," said Steve Simmons, COO of A-LIGN. "It's great to work with organizations like LYTIQS, who understand the value of expertise in driving an efficient audit and the importance of a high-quality final report."

This certification demonstrates LYTIQS's continued commitment to compliance and ensures clients possess the confidence that required safeguards are in place to protect their data.

About LYTIQS
LYTIQS helps organizations move from reactive workforce planning to proactive workforce strategy. Its strategic workforce planning platform uses data, analytics, and scenario modeling to help leaders forecast talent needs, assess workforce risks, and align people investments with long-term business goals.
